Formal response – publication date

Following an extension to the consultation period – as requested by interested parties – we are now looking carefully at all the responses received.

We had hoped to respond formally by the end of June 2009 but this has been delayed slightly due to the extended consultation period and the additional responses we have received.

We expect to brief new ministers following a full assessment of all responses and expect to publish a formal response within the next two months.

June 2009
